

OUR CITY OUR RIVER PROJECT UPDATE

Temporary Road Closure & Footpath Diversion

September 2018 – October 2018

As part of the Our City Our River flood defence project, we are carrying out construction work in the Sowter Road and Duke Street area.

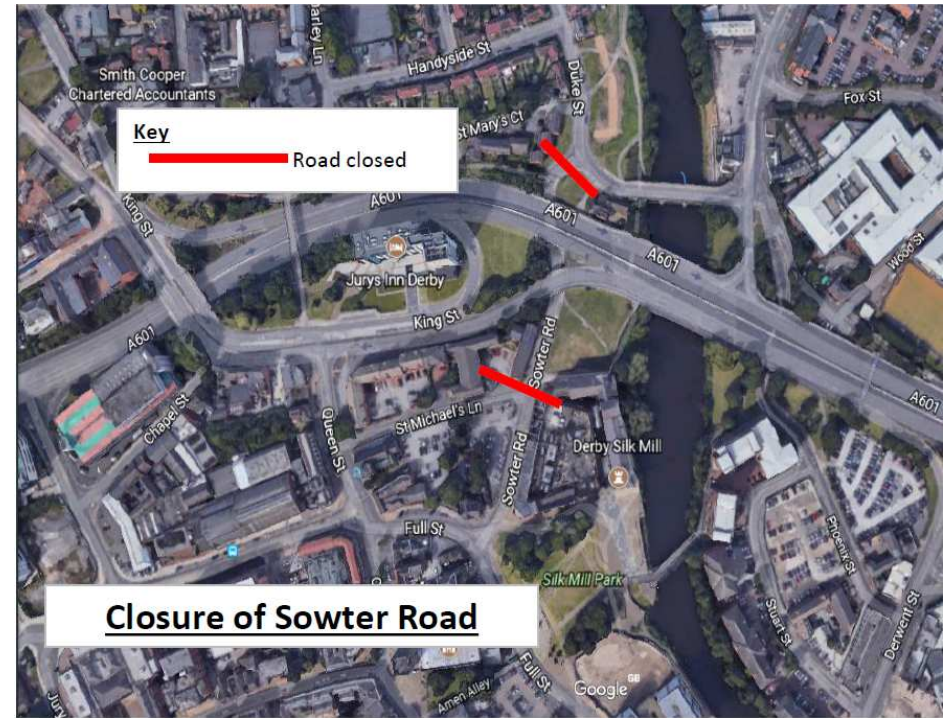

Soon, the road closure will switch from Duke Street being closed to Sowter Road being closed. The dates for closure are planned as below:

Duke Street- OPEN –Tuesday 18th September

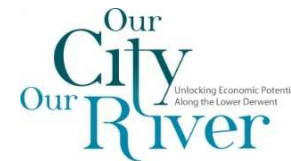

Sowter Road – CLOSED - Monday 17th September

Sowter Road – OPEN - Friday 26th October

- Please see the OCOR website, twitter, Facebook pages and site posters for information about the diversions. Access to St Michael's Lane and Sowter Road car parks, and Cathedral Quarter Businesses will be maintained at all times via the signed diversions.
- We are working in partnership with our construction works contractor, GBV Ltd., who have a construction management plan which covers issues such as noise mitigation, hours of work and traffic management for construction vehicles.
- If you would like more information about the work, contact Peter Richardson, Site Agent at the City Road project compound on 07484 036691.
