ADD SOME FESTIVE FLORAL FLOURISHES TO YOUR HOME THIS CHRISTMAS

Did you know that in Ancient Rome decorating the house with a door wreath or garlands referred to victory? The use of evergreen branches and foliage signifies eternal life and was often seen as a symbol of continuing life in the cold, dark winter months.

Selena's Contemporary Flowers brings life to your house with their amazing, handcrafted Christmas door wreaths. These traditional moss-based wreaths are eco-friendly with all natural materials. They don't only look great, but with the use of spruce, pine, cinnamon, eucalyptus, dried fruits and foliage they leave an amazing festive fragrance.

Wreaths can be ordered online www.selenasflowers.com/shop or if you prefer a bespoke design, call Selena's on 01332 293 543 to create your unique door wreath together with owner Linda.

Selena's also creates unique centre pieces to adorn your Christmas table as well as a wide selection of Christmas flower bouquets to either treat yourself or gift to a loved one.
